

Sampson Community Club

Club Information

The Sampson Community Club is a non-profit Organization founded in 1955. The purpose of the Sampson Community Club is to bring the canyon community together in friendship, the betterment of our mountain area, and for the preservation of our history as well as maintaining the Sampson and Lamb school properties.

Membership Benefits

Becoming a member in the Sampson Community Club allows you to become an active member in your own community, a place that we have all picked to raise our children and enjoy the beauty of the mountain environment. This is a wonderful opportunity to demonstrate to our children and to community support, involvement and ourselves. The purpose of the club is to get together on a regular basis for fun, games, food, information and a chance to get to know one another. Members also enjoy the opportunity to vote on coming events, changes, improvements and for officer elections. You also have the ability to use the club facilities for your own personal needs for a minimal suggested donation.

Membership Dues

Each year we collect membership dues. The fee is \$20.00 per household. These dues are needed for event planning, repair and maintenance of community properties and printing. If you haven't paid your dues for the year, please complete this short form and mail it back to the Sampson Community Club, 16150 Sampson Rd., Littleton, CO 80127.

Enclosed is my check for \$20.00
